1

The Inspector of Schools requests sanction to the grant of a stipend of Rs. 30 per mensem to a mistress in the Goodwill Girls' High School, who is proposed to be deputed for physical training in the Lady Willingdon Training College, Madras.

2

The scale of stipends mentioned in Article 59 of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore, can be sanctioned by the Inspector in exercise of the power conferred on him under Article 60 of the said Code. The stipend contemplated in the P.U.Cs., namely, a stipend for undergoing physical training, is not covered by Article 59 and hence the Inspector has submitted the proposal for the orders of the Hon'ble the Resident.

3

As the grant-in-Aid Code does not contemplate the grant of a stipend for physical training, it is doubtful whether such a stipend can be sanctioned by the Hon'ble the Resident without a reference to the Government of India. From the note inserted at the beginning of the Code, it will be seen that the Resident

has

has been authorised to amend the Code whenever necessary provided that all amendments involving a fundamental departure from the general principles on which the Code has been constructed are made with the previous sanction of the Govt. of India. It seems that the proposal to sanction a stipend of the nature not contemplated by the Code will involve a fundamental departure from the general principle on which the Code has been constructed.

If approved, the Financial Adviser may be consulted U.O. whether the stipend may be sanctioned by the Hon'ble the Resident without a reference to the Govt. of India.

U.O.No. 7091 Dated 28th August 1933.

Article 1 of the Grant-In-Aid Code states in general terms the object of the Grant-In-Aid to be the extension and improvement of secular education. Physical training is certainly a necessary part of secular education.

Chapter X treats of stipends that may be granted to students under taining in Training Schools. In the case in question, a student is to receive physical training in

a Training College. I think that the Resident can, under article 59, and under the discretion given to him to amend rules in the Note at the commencement of the Code, grant the stipend applied for, as a special case, without violating the general principles of the Grant-In-Aid Code.

OFFICE OF THE RESIDENT IN MYSORE.
BANGALORE.
27 JUNE 1933
Regd. No. 5566
File. No.

Sir,

I have the honour to state that a Physical Training Class will be opened in the Lady Wellingdon Training College, Madras, from 3rd July 1933. The course will be open to women teachers of the secondary grade, the period of training being Nine months. Candidates who do not belong to the Presidency will be admitted to the class on payment of a fee of Rs.20/- per mensem.

2. Miss Grace Violet Aaron, a secondary grade mistress, who completed her secondary grade training course this year and who was deputed from the Goodwill Girls' High School, has applied to me for a stipend to enable her to undergo this physical training course. Article 59 of the Grant-in-Aid Code for Indian Schools refers to the payment of stipends to students who undergo the general professional training. The purpose for which a stipend is asked by Miss Aaron is not covered by the intention of this article, as the course proposed to be taken is one that deals with a particular subject i.e., a specialist's course. I am, therefore, submitting this request to the Hon'ble the Resident for orders.

The scheme for the improvement of Physical Training in the Schools of the Civil and Military Station, Bangalore, now under consideration refers only to the boys' schools. Instruction in Physical Education in the Girls' Elementary schools and in the Kamalabai Girls' High School, is virtually non-existent. In the

Goodwill Girls' High School, the Principal has done her best in the past with part-time unskilled European teachers of the subject and now wishes to have a full-time trained Indian mistress for Physical Training. I strongly endorse her wishes and I request that the Hon'ble the Resident's sanction may kindly be obtained for the grant to Miss Aaron of a stipend of Rs. 30/- for nine months.

3. Miss Aaron who has been a Government stipendiary for the last two years while undergoing secondary grade training, will be asked to execute a revised agreement binding her to serve in the Goodwill Girls' High School, Bangalore, for three years after the proposed Physical Training course, as she will have been a Government stipendiary for three years, if my proposal is approved.

4. The amount will be met under "Account II- Education - F. Grant-in-Aid to Non-Government Special Schools - Grant-in-Aid to Special Schools - Stipendiary grants" from the current year's Mysore Assigned Tract budget.

Sir,

S.IV. 1

In continuation of this office letter No.2032/2-32, dated 26.6.1933, I have the honour to state that the Correspondent, Goodwill Girls' High School has lately informed me that Miss Grace Violet Aaron has withdrawn her application for the course in Physical Training at Madras. I therefore request you kindly to substitute the name of Miss Devakirubai Job for that of Miss Aaron, in my letter quoted above. Miss Devakirubai Job is a trained secondary grade teacher with teaching experience in the Goodwill Girls' High School. She has passed a Medical Examination and has been accepted for the physical training course at the Lady Willingdon Training College. As she has done a year's teaching since training she will be required to execute a bond after the physical training course requiring her to give at least 2 more years' of service in the Goodwill Girls' High School.
